

# Are your customers ready for the 6H Rule?

**Transtar is your solution to staying 6H Rule compliant!**  
**From rollable primers to HVLP spray guns, we've got you covered.**

**7300 Series Euro Classic DTM Primers are sprayable AND rollable! These primers are perfect for a facility that does not already have the required prep stations and spray booths.**

**Our HVLP guns are compliant with the transfer efficiency outlined in the 6H Rule!**

**The 6H Rule is about VOCs and targeted HAPs.**

- **ALL of Transtar's products are free of the targeted HAPs listed in the 6H Rule!**
- **Transtar has over 80 50-State Compliant and low VOC products!**
